8.01 For the purposes of this Agreement, a grievance is defined as a difference arising between the parties relating to the interpretation, application, administration or alleged violation of the Agreement including any question as to whether a matter is arbitrable.

8.02 At the time formal discipline is imposed or at any stage of the grievance procedure, including the complaint stage, an Employee is entitled to be represented by a local Institute representative, if available. Representation may be provided via teleconference.

8.03 It is the mutual desire of the parties hereto that complaints of Employees shall be adjusted as quickly as possible, and it is understood that an Employee has no grievance until she has first given her immediate Supervisor the opportunity of responding to the complaint. Such complaint shall be discussed with her immediate Supervisor within nine (9) calendar days after the circumstances giving rise to it have occurred or ought reasonably to have come to the attention of the Employee.

Failing settlement of the complaint within nine (9) calendar days of being so discussed with the immediate Supervisor, it may then be taken up as a written grievance at Step No. 1, within nine (9) calendar days following the date on which the Employee has been advised of the Supervisor's decision, or failing any reply it may then be taken up as a written grievance at Step No. 1 within a period of fourteen (14) calendar days following the initial complaint.

Step 1

The Employee, with the assistance of a Institute representative, if available, may submit a written grievance, signed by her, to the Manager. The nature of the grievance, the remedy sought and the section or sections of the Agreement, which are alleged, to have been violated shall be set out in the grievance. The parties may, if they so desire, meet to discuss the grievance at a time and place suitable to both parties. The Manager will deliver the decision in writing within nine (9) calendar days following the day on which the grievance was presented to her (or any longer period which may be mutually agreed). Failing settlement, the next step in the grievance procedure may be taken.

Step 2

Within nine (9) calendar days following the decision under Step 1, the Employee, with the assistance of an Institute representative, if available, may submit the written grievance to the Hospital's designated Hospital Representative for Step 2. A meeting will then be held, within nine (9) calendar days of the submission of the grievance at Step 2 unless extended by agreement of the parties, between the Hospital's Management Representatives and up to two (2) Institute representatives. It is understood that the Grievor may attend this meeting. A

decision of the Hospital shall be delivered in writing within nine (9) calendar days following the date of such meeting.

- 8.04 A complaint or grievance arising directly between the Hospital and the Institute concerning the interpretation, application or alleged violation of the Agreement shall be originated at Step 2 within fourteen (14) calendar days from the time that the circumstances giving rise to the complaint or grievance were known or should have been known to the Institute or the Hospital, and the grievance process shall apply, with any necessary modifications, to the union policy grievance or the Hospital grievance, as the case may be. A member of the Institute Executive and/or an Institute Staff Representative shall sign a union policy grievance.
- 8.05 Where a number of Employees in the Hospital have identical grievances and each Employee would be entitled to grieve separately, they may present a group grievance in writing signed by each Employee who is grieving to the Manager responsible for their department, or alternate, within fourteen (14) calendar days after the circumstances giving rise to the grievance were known or ought reasonably to have been known to the Employees. The grievance shall then be treated, as being initiated at Step 1 and the applicable provisions of this Article shall then apply with respect to the processing of such grievance.
- 8.06 The release of a probationary Employee for reasons based on performance and ability to do the job, including skills, suitability and availability shall not be subject to the grievance procedure unless the probationary Employee is released for:
- (a) reasons which are arbitrary, discriminatory or in bad faith;
 - (b) exercising a right under this Agreement.

The Hospital agrees to provide written reasons for the release of a probationary Employee within nine (9) days of such release.

The Hospital agrees to provide written reasons within nine (9) calendar days to the affected Employee in the case of discharge or suspension and further agrees that it will not suspend, discharge or otherwise discipline an Employee who has completed her probationary period, without just cause.

A claim by the Institute that an Employee, who has completed her probationary period, has been unjustly discharged or suspended shall be treated as a grievance if a written statement of such grievance is lodged with the designated Hospital Representative at Step 2 within nine (9) calendar days after the date the discharge or suspension is effected. Such special grievance may be settled under the Grievance or Arbitration Procedure by:

- (i) confirming the Hospital's action in dismissing the Employee; or
- (ii) reinstating the Employee with or without loss of seniority and with or without full compensation for the time lost; or
- (iii) any other arrangement which may be deemed just and equitable.

- 8.07 Failing settlement under the foregoing procedure of any grievance between the parties arising from the interpretation, application, administration or alleged violation of this Agreement, such grievance may be submitted to arbitration as hereinafter provided. If no written request for arbitration is received within fourteen (14) calendar days after the decision under Step 2 is given, the grievance shall be deemed to have been abandoned.
- 8.08 Either party may notify the other party in writing of its desire to submit the grievance to arbitration. Upon receipt of the notice, the other party shall acknowledge receipt in writing. Both parties shall then endeavour to select an impartial arbitrator to hear and resolve the grievance. Should the parties be unable to agree on an arbitrator within fourteen (14) calendar days after receipt of the request, either party may then request the Ministry of Labour for the Province of Ontario to appoint a sole arbitrator.
- 8.09 Upon mutual agreement of the parties in writing, an Arbitration Board composed of one nominee from each party and a Chairperson appointed by the nominees may be substituted for a sole arbitrator. The time limits and procedures set out in Articles 8.06 and 8.07 shall apply to the appointment of nominees and the Chairperson. Each party will pay the fees and expenses, if any, of its own nominee and shall share equally the fees and expenses, if any, of the Chairperson.
- 8.10 The arbitrator shall hear and determine the grievance. The decision of the arbitrator shall be final and binding upon the parties and upon the Employee(s) affected by it.
- 8.11 No person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance.
- 8.12 The arbitrator shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement
- 8.13 Each of the parties hereto will share equally the fees and expenses, if any, of the arbitrator.
- 8.14 The time limits set out in the Grievance and Arbitration Procedures herein are mandatory and failure to comply strictly with such time limits, except by the written agreement of the parties, shall result in the grievance being deemed to have been abandoned.
- 8.15 The parties may agree to waive or extend any of the time limits established in the grievance and arbitration procedures.
- 8.16 No matter may be submitted to arbitration, which has not been properly carried through the grievance procedure within the times specified, provided that the parties may extend the time

limits in the grievance procedure by mutual agreement in writing. Where a response is not given by a party within the specified time limit in the grievance procedure, the other party may submit the grievance to the next step of the grievance procedure.

- 8.17 Paid holidays shall not be counted in determining the time in which any action is to be taken or completed in any step of the Grievance or Arbitration Procedures where the reference is calendar days.

- 13.04 Where an applicant has been selected in accordance with this Article and he requests within a thirty (30) working day period to return to his former job, or it is determined within a thirty (30) working day period that he cannot satisfactorily perform the job to which he was promoted or transferred, the Hospital will return him to his former job without loss of seniority and the filling of subsequent vacancies will likewise be reversed. The vacancy resulting from the posting may be filled on a temporary basis until the trial period is completed.

At the request of an Employee, the Hospital will discuss with an unsuccessful applicant ways in which he can improve qualifications for future postings. - 13.06 The Hospital shall have the right to fill any vacancy on a temporary basis until the posting procedure has been complied with and/or until arrangements have been made to find a replacement if an internal Hospital applicant has been selected to fill the vacancy and been assigned to the job. In the event that an internal Hospital applicant has been the successful candidate, it is understood that the appointment to a position may be delayed by the Hospital to a maximum period of three (3) months until such time that a replacement has been found, unless a longer period is otherwise agreed to by the Employee concerned.
- 13.07 The Hospital shall not be required to post a vacancy where a position has been posted and a successful applicant has been chosen and subsequently becomes vacant as a result of the trial period in Article 13.04 above. If because of late receipt of confirmation of the pending adoption, the employee finds it impossible to request the leave of absence in writing, the request may be made verbally and subsequently verified in writing.
