

On February 6, 1920, the Professional Institute of the Civil Service of Canada (PICSC) came into existence as a formidable community of employee advocates.

Today, the Institute, now the Professional Institute of the Public Service of Canada (PIPSC) is a 60,000-strong community of professionals working together to advance the well-being of our members and the well-being of Canadian society.

To show our appreciation for your support, we invite you to celebrate with the Prairies/Northwest Territories Regional Executive and PIPSC Staff as we honour 100 years of leading progress and look forward to another century of success.

Please join us at our Open House at the Prairies/Northwest Territories Regional Office - Winnipeg, 4th Floor, 363 Broadway, on Thursday, February 6, 2020 from 2-6pm.

Each member attending will receive a special gift to commemorate the 100th Anniversary.

Refreshments will be served.
